### SCHONSTEDT TRADE-IN SPECIAL

**TraceMaster**

## Featured Vendor

**Blair Supply & Mueller Hold Mueller School**

Blair Supply and Mueller Company partnered up to provide local municipality and utility workers with useful field based information regarding their products. Blair Supply held two trainings, 1.) at the VFW Post in Waterloo and 2.) at Terry Hills Golf Course in Batavia. The day was filled with good food, great information, and networking opportunities.

The Mueller® Waterworks Product Training School is where you can learn the latest about Mueller products, field tips, installation techniques and maintenance procedures. In this unique relaxed environment you will learn how to manage today's complex water systems more efficiently and effectively.

**Topics Covered at Training School:**

**Fire Hydrants** – installation tips, component details, hydrant restraint, flow characteristics, security, repair and maintenance.

There are several TraceMaster II options. The top of the line model offers three active frequencies (575Hz, 8kHz, 82kHz) and choice of one passive frequency (50Hz or 60 Hz) with a radio link to control the transmitter from the receiver like a remote.

**Special Price With RF Link:**

$ 3065 ~~MSRP $3775~~

**Special Price Without RF Link:**

$ 2895 ~~MSRP $3425~~

**GA-52Cx & GA-72Cd**

The GA-52Cx and GA-72Cd Locators find iron and steel objects underground. Both provide audio detection signals that peak in frequency when the locator's tip is held directly over the target. The GA-72Cd includes an easy-to-read digital and bar graph display showing signal strength and polarity

**GA-52Cx:**

$745 ~~MSRP $ 917~~

**GA-72Cd:**

$865 ~~MSRP $1041~~

*Click on the photo above to watch a video*

**GA-92XTd**

Time to make a move to the new Schonstedt XT, the greatest innovation in magnetic locating since the celebrated "yellow stick". In its holster, the XT leaves both hands free on the way to the job site, then gives you the freedom to do your best work with one hand tied behind your back.

$845 ~~MSRP $1020~~

# You've tried the rest, now own the best.

**Have an old, broken, off-brand locator lying around collecting dust? Or one that never works right?**

**Trade in ANY competitor's locator and receive a $300 allowance OR trade in**

**Gate, Butterfly, Check Valves** – valve performance characteristics, selection, valve restraint, actuation, component details, repair and maintenance.

**Main to Meter Products** – Selecting and installing corporation valves, meter setting products, service line repair, back flow prevention, insulated products.

**Pipe Repair Products** – types of repair clamps and couplings, repairing ductile iron, PVC and PE mains.

**Drilling and Tapping Water Mains** – direct tapping machines for ductile iron and PVC mains, saddle selection and proper use, large and small drilling machines.

**Tips from the Field** – maintenance, troubleshooting, safety
