

EndoPure

The ONLY High Density Polyethylene Pipe specially engineered for the water industry.

ENDOT EndoPure. On the outside, it's blue, color coded for the coming industry standard; on the inside it's completely natural; overall it's the purest polyethylene, so it's: Lead Free, Chlorine Free and Solvent Free. EndoPure comes ENDOT sealed with our special crimping process to ensure that it remains impurity free. Guaranteed. For your next project, make it ENDOT'S EndoPure . . . and make it as perfect as possible.

ENDOT Industries backs EndoPure with a certificate of purity in addition to a lifetime Warranty, including the most liberal cost of replacement provisions. (See Warranty for Details)
